Website(s): eib.org/en/products/advisory-

services/epic/index

EU standards, in a way that is climate-proof and limiting environmental damage.

EPIC is an initiative funded by the European Union (EU) and managed by the European Investment Bank (EIB), in cooperation with the European Bank for Reconstruction and Development (EBRD) and World Bank (WB).

Social media:

facebook.com/EIBinSouthCaucasus/, linkedin.com/company/jasperspartnership/posts/?feedView=all

Expected results:

Generate concrete, viable connectivity investments to:

- Reduce travel time and cost
- Eliminate bottlenecks
- Improve road safety
- Adapt transport infrastructure to climate change
- Create socio-economic and environmental benefits for the citizens of the EU's Eastern Neighbourhood
