Project description:

The "EU4Moldova: Local Communities" programme is implemented as a Team Europe initiative, with financial support from the European Union, the German Federal Ministry for Economic Cooperation and Development (BMZ), the Austrian Development Cooperation (ADC) and the Ministry of Foreign Affairs of the Republic of Poland – Polish aid. The overall objective is to improve the quality of life and to address the economic and social consequences of COVID-19 in selected local communities of the Republic of Moldova, thus contributing to their long-term resilience.

Expected results:

- minimum 200 rural communities involved in local development processes
- minimum 250 local development interventions? implemented
- 100 new full-time jobs outside of agriculture
- 80 newly created and expanded businesses
- at least 25 supported SMEs led by women
- 9 improved and expanded local basic public infrastructure measures in the areas of water, sanitation / wastewater and solid waste
- 5 improved or new service delivery models established in selected priority sectors of local public service provision
- new measures for an improved business environment, including skill development at 4 supported VET institutions.
