Project description

The project "MYCS: for a stronger youth civil society" is implemented by Terre des hommes Foundation Moldova in partnership with the Foundation for Civil Society Development (FDSC) in Romania and the Partnership for Development Centre (CPD) in Moldova and funded by the European Union. The project aims to strengthen the capacities of local civic actors in the youth field to provide inclusive and sustainable youth participation and empowerment programmes and services.

Expected results:

1. 25 youth CSOs from Moldova will have strengthened capacities to better identify the needs of young people and design services and programmes for qualitative, inclusive and resilient youth participation.
2. At least 10 local actions focusing on service delivery, promoting sustainable youth participation and community mobilisation will be facilitated through the grant scheme.
3. Functioning mechanisms for collaboration and learning between relevant youth actors.
