**European Union Border and Customs Project (EUBAC) in the Republic of Moldova**

**Duration:** 25.06.2026 - 24.06.2028

**Countries:**
Moldova

**EU contribution:** € 3 500 000

**Total budget:** € 3 500 000

**Implementer:**
International Organization for Migration (IOM)

**Project description:**
The European Union Border and Customs Project (EUBAC) aims to support the Republic of Moldova in implementing the EU acquis in the areas of integrated border management, customs and taxation, in line with the country's EU accession priorities and the Reform Agenda under the Moldova Growth Plan. The project responds to Moldova's need to modernize border management, customs and taxation systems, strengthen institutional capacities and inter-agency cooperation, and address increased risks related to cross-border crime and illicit financial flows in the context of regional instability.

**Expected results:**
1. Improved institutional, regulatory and procedural alignment of integrated border management systems with the EU acquis.
2. Improved administrative and operational compliance in VAT and excise duty management in line with EU standards.
3. Strengthened capacities to implement harmonised customs and tax policies to facilitate free movement across both banks of the Nistru River.
4. Enhanced operational, analytical and monitoring capacities for preventing and combating cross-border crime and illicit financial flows.
5. Enhanced institutional and technical capacity of border authorities, police, and tax agencies through targeted assessments, capacity building and equipment support.
