Project website: erim.ngo/

Project description:

The project "Moldova against all discrimination" aims to fight discrimination against women/the LGBT community and promote gender equality in the Republic of Moldova through supporting, providing internal and advocacy training for women/LGBT organisations and activists in order to strengthen and develop their activities as well as increasing public awareness through public events including in the regions, and the production of a TV show broadcast on TV networks in Moldova.

Expected results:

- 30 women organizations members of the Gender Equality Platform have assessed their organizational and strategic capacities.
- 10 women organizations (at least 40% from regions) receive capacity building training and grants to develop/implement their strategy.
- 2 National Leadership Academies are organized with at least 60 representatives of Women and LGBT organizations participating.
- 20 grants are awarded and implemented to promote women/LGBT rights and 20 small grants are provided to build resilience of women/LGBT activists or organizations.
- 25 awareness raising events on women's issues are organized in local libraries, 70% outside of Chisinau.
- 8 events are organized each year for International Women's Day.
- 1 season and 12 programmes of the talk show "Optmart SRL" are produced and broadcasted.
- 1 "Optmart SRL Offline" organized in Chisinau and 7 "Offlines" in other districts.
