Period of implementation: 01.02.2014 - 31.12.2017

EaP countries:
Moldova

Total budget: € 1 945 049

Implementing organisation(s):
GFA CONSULTING GROUP GMBH

Project website:

Project description:

The overall objective of the project is to support Moldova in advancing its economic, social and territorial cohesion with emphasis on policy development, legal and institutional framework for the efficient development of the regions of Moldova.

Expected results:

- Improved regional statistics in accordance with Eurostat standards for NUTS 2 and 3 level regions.
- Capacities validated between the responsible bodies relevant to the above results, including through the ability to produce, distribute and use regional statistics continuously.
- Improved system and sources for generating regional accounts according to ESA 95.
