

**Eastern Partnership Integrated Border Management
Flagship Initiative: Introduction of an automated
intelligent video-control system at the Novaya Huta-
Novi Yarylovychi road border crossing point on the
Belarus-Ukraine frontier**

**Perioada de
implementare:** 01.04.2017 - 30.04.2020

Țările PaE:
Belarus, Ucraina

Contribuția UE: € 800 000

**Organizație(Organizații) de
implementare:**
International Organisation for Migration

**Site-ul
proiectului:**

Descrierea proiectului:

The Project aims to increase the effectiveness of customs procedures at the BCP on the common border between Ukraine and Belarus through enhanced pre-arrival processing capacity, leading to reduced border crossing time.
