Project description:

The HiQSTEP project produces high quality studies on specific subjects as defined by the Eastern Partnership Platforms and Panels in order to support activities in specific areas under the multilateral framework of the Eastern Partnership.

Expected results:

The project supports activities under the multilateral framework of the Eastern Partnership, which are channelled through four Platforms:

Platform I – Democracy, good governance and stability.

Platform II – Economic integration and convergence with EU sectoral policies.

Platform III – Energy security.

Platform IV – Contacts between people.
