Project description:

The project aims at providing support to sector institutions involved in the Justice Sector Reform process, in the form of institutional and organisational management – including direct assistance and on-the-job coaching; expertise related to the technical dialogue process; progress monitoring and steering of the various actions and work plans.

Expected results:

- To provide technical assistance to the Beneficiaries according to the provisions of the Justice Sector Reform Strategy and its Action Plan 2011-2016 and of the future policy document on the reform of the justice sector.
- To focus on enhancing the integrity of the Beneficiaries in the context of the above-mentioned policy documents.
- The integrity of the Beneficiaries is enhanced.
- Zero tolerance is promoted and implemented with respect to the corrupt behavior of the Beneficiaries, which includes both prevention and criminal prosecution of large-scale corruption.
- The internal and external communication of the Beneficiaries is improved.
- Consolidated position and capacities of the Beneficiaries.
