### Project description:

The project aim is to deliver Technical Assistance to EU Grant Beneficiaries and to future potential beneficiaries of the Civil Society Facility to implement EU funded projects.

### Expected results:

- Enhanced knowledge and skills for CSOs in EU project implementation and policy monitoring so they are able to engage effectively in the Association Agreement process.
- Strengthening of CSO governance structures, financial management systems and sustainability so that their transparency and downward accountability is improved.
- Coordination, networking and consortium building capacities among CSOs are strengthened among urban and rural CSOs as well as between CSO consultative bodies for the Association Agreement.
- Improvement of CSOs knowledge on targeted areas by the CSO grant scheme (good governance, economic and social development, social cohesion through provision of social services) and cross cutting-issues - mainly gender mainstreaming.
- The EU Delegation in Moldova is better informed of changes in the civil society landscape in the country.
