Project description:

The project to create a Regional Center for Business Information and Support for ATU Gagauzia (RBISC) is aimed at providing advisory, informational and real support for the establishment and development of business in the autonomy. Provided services: business training, advice on organizing a business and promoting it, on accounting, taxation, marketing and branding a business or product, finding additional sources of financing, creating a business guide, business internships for businessmen. The project has a head office and 3 divisions (Business Hubs) in the regional centers - Comrat, Chadyr-Lunga, Vulcanesti.

Expected results:

- Business residents of the Gagauzia region of Moldova, interested in opening, consolidating and/or expanding a business, have access to improved and up-to-date information and introductory support on all phases of business operation, provided in a client-centric and tailored manner.
- Businesses from the Gagauzia region of Moldova benefit from an improved regional institutional framework and market-oriented support services.
- The access to finance of local businesses, including start-ups and young entrepreneurs, is improved via the facilitation of partnership links between the business sector, civil society and LPAs.
