Cimislia District Council, ODIMM/Organization for the Development of the Small and Medium Enterprises Sector

Project website: raioncimislia.md/

Project description:

The project "South Open Gate of Moldova for Businesses and Investments" is implemented by the Cimislia district in partnership with the Organization for the Development of the Small and Medium Enterprises Sector (ODIMM) and the South Regional Development Agency. The main goal of the project is to promote local economic development by supporting the SME sector and promoting direct investment in the local economy. The duration of the project is 18 months.

Expected results:

Elaboration of the mapping report of the consultancy and support service providers in South DR business development:

- Contact Database - Suppliers Register.
- Preparation of the package of advisory services packages and training modules.
- At last 48 people (consultants and trainers) from these 24 providers will be selected and trained.
- The Strategy for setting up and supporting RROCA prepared and implemented; Established regional network and unit of coordination.
- The informative and promotional caravan will include the 8 districts, including rural localities.

4 Pre-incubation spaces organized and arranged within the existing 4 IA, with the necessary facilities:

- Modern tools and training and promotion materials.
- Preparation and implementation of the registered/selected SME advisory and training program.
- At least 144 SMEs participating in training programs within the 8 districts.

Training of at least 288 people among the staff of these SMEs. Training a number of young people in the final years to prepare for entrepreneurship and/or freelancers, on their own (self-employed):
